HOSE REELS

Phillips & Smith Ltd offer the unique quick response hose reels capable of pivoting a full 360°. Suitable for all applications. Available in a choice of two type:

ALL STAINLESS

STEEL PAINTED RED

The Phillips & Smith 19mm x 25 meter Hose Reels comes complete with all the standard features along with the unique 360° arc pivot system which makes hose accessible from the reel simply by swinging out the pivot arm.

The Stainless Steel Reels come complete with a Stainless Steel bracket/pivot arm, and fittings making this unit ideally suited for marine or outdoor applications:

Both reels come complete with

- * Lever Action Nozzle
- * 1" BSP Inlet Gate Valve
- * 3/4" Reducer for 3/4" inlet applications
- * 25 metres of 19mm Red Fire Reel Hose
- * All fully assembled ready to install.

If you do not see what you want in our brochures, please call us! We cannot show every item
Due to continued improvement the right is reserved to modify specifications without prior notice
